

UND Computational Research Center Cluster

Project Account Request Application (rev. 3/2005)

Note: The Principal Investigator of the Project Request will be held responsible for the conduct of all project participants.

1. Principal Investigator: \_\_\_\_\_
2. Department: \_\_\_\_\_
3. Campus address: \_\_\_\_\_
4. Campus phone: \_\_\_\_\_
5. E-mail address: \_\_\_\_\_
6. Campus position(faculty/researcher/post-doctoral/graduate/undergraduate)  
(underline those that apply)
7. Purpose of this request for research cluster use (i.e. describe research project):
  
8. Estimate of computer time required:
9. Estimate of the number of compute nodes required to complete the research project \_\_\_\_\_.
7. Proposed username (8 characters or less, that should be representative of the name of the user): \_ \_ \_ \_ \_
8. Group name (8 character name that is representative of the project(s) you are working on. There'll be one group per project--to facilitate the ability to securely share files within a project. A /project/ directory in the group name will be created for shared data space.): \_ \_ \_ \_ \_
9. Listing of user accounts affiliated with the given project.
10. SSH keys [PUBLIC side (no private keys please) of your SSH key will be installed for you. Access to cluster limited to SSH):

Please e-mail completed application form to [itsshhelp@mail.und.edu](mailto:itsshhelp@mail.und.edu). Following approval by the CRCC Center Director (or designate) the request will be sent to the System Administrator to create an account. You will be notified of the account information and your e-mail will be added to the [und-crcc@listserv.nodak.edu](mailto:und-crcc@listserv.nodak.edu) listserv for notices and information sharing. If you do not receive notice of an account within a week of your request, please contact the ITSS help desk 7-2222, or [itsshhelp@mail.und.edu](mailto:itsshhelp@mail.und.edu)

UND Computational Research Center Cluster users must read and agree to adhere to the UND Computational Research Center Usage Policies as found on the <http://www.und.edu/dept/crchpc/> web site.
